PETS ARE WELCOME!!

We are pet lovers here at **EDGEWATER RESORT** and we hope that your pet will enjoy vacation time with you and your family. We ask the following for the safety of your pet, other guests and their property and pets as well as resort property. Please be considerate of others. We would like to remind our guests that it can be quite hot in June, July and August. Most pets won't enjoy the heat and we encourage you to leave your pets at home in familiar surrounds during these hot periods. Please limit two pets maximum per cottage.

1. Pets are not allowed in all cottages. Please do not assume your pet can stay in a cottage. Please check with us to verify Pet friendly cottage availability. Unauthorized pets will be subject to removal to a local kenneling facility. Any costs associated with a transfer will be the responsibility of the pet owner.

2. Pets **MUST** be kenneled (crated) if left in a cottage unattended. There will be no exceptions. Please don't leave your pet in a strange place without the security of a kennel box.

3. You, the pet owner, are fully responsible for any and all damages or injury to other guests, their pets, their property, resort property and to the pet itself. Aggressive animals are not allowed.

4. A non-refundable Pet Fee is charged per pet - per cottage as well as a refundable CASH Security/Damage deposit per cottage. (If your pet will be in multiple cottages a Pet Fee and CASH Security/Damage deposit will be assessed for each cottage. Off season rates may apply.) The Security/Damage deposit will be returned to you by mail within 4 weeks of your stay.

5. We are located in a wooded area that is visited by local wildlife. Pets should be treated with a flea and tick preventative 2 weeks prior to your visit to help prevent bug bites. Pets must be kept on a leash at all times. Please bring copies of your pet's shot records. All pets must have proof of current (within 12 months) rabies vaccination.

6. Pets must be walked in non-use areas. Please be considerate of others and pick up after your pet.

7. Please do not use resort bath towels on pets. We provide Pet towels and blankets specifically for the use of your pet. Couch covers and dog friendly blankets are provided for those 'couch potato' pets.

8. Does your pet sleep with you?? If that is the case, please let us know. We would like to discuss it with you to make arrangements concerning bed linens.

We attempt to keep our facilities usable by all. Kindly keep in mind that there are individuals that have allergies to animals. We want all of our guests to enjoy their stay at **EDGEWATER RESORT**. Please help us to provide a place that pet people can still bring their pets on vacation. Help us maintain the highest of cleaning standards while still allowing pets on the premises. If you have any questions please do not hesitate to contact us.

Thank You!

Bob and Sue Wilson
